

Remembering Special Occasions

This is the time of year for many weddings, graduations, Sweet Sixteens, dance recitals, sports competitions, anniversaries, baby showers, christenings, communions, Bar and Bat Mitzvahs, and more. What better way to capture that special moment than to have it framed?

Beside the many photos that are taken at these celebrations, invitations,

If you are looking for a unique wedding gift, celebrate the happy couple by having their wedding invitation specially framed.

bouquets, costumes, and trinkets are also perfect for framing. And special occasions can last forever if they are creatively framed. We can help you to create a frame just for you. Every occasion, from your baby's birth to first steps, to your silver wedding anniversary can be remembered each day when it is framed.

Stop by our store—we have great ideas on how your memories can last forever. ■
